When you hire King's Watch and Jewelry Repair, you're the one that gets the royal treatment.

You'll get peace of mind knowing only expert, certified technicians work on your piece using only genuine parts.

You'll save time waiting since all our work takes place in-house.

(Which also means, you'll rest assured knowing your prized watch isn't leaving our shop for a trip around the world.)

You'll get honest appraisals and offers on any timepiece or jewelry you want to sell or insure.

You'll see your vision come to life, paired with our artistry and craftsmanship, creating a custom piece of jewelry that's uniquely beautiful.

Contact us today for a free, no-obligation, consultation!

We can make anything happen. Any repair. Any watch. Any modification

Give us a call 678-817-9847 and your watch will be ticking in no time!
