

Life Changing Prescriptions.

You should have options when treating your patients! We are **ZoeScripts**, a division of Westchase Compounding Pharmacy. We specialize in Topical Pain Creams whose synergistic ingredients attack pain on multiple levels. Our PLO base avoids systemic affects by penetrating the medicine to the localized site only. Our caring customer service handles pre-authorization and follow up with patients.

What makes us different? Science. Integrity. Service.

- PharmD's oversee all compounding
- Member of PCCA (Professional Compounding Centers of America)
- Attentive Customer Service: Open 8am-8pm Monday thru Friday / Saturday 8am-12pm
- **Direct billing to insurance company**
- **Co-pay assistance program (no co-pay over \$35)**
- **Affordable cash price for patients without insurance. (ie- \$30 for 240g)**
- **Free Delivery within 48 hours**
- EScribe available for your EMR

We want to earn your trust, and give you and your patients an alternative in pain management therapy.

- Contact me, your local representative, and I will be glad to schedule an appointment with you to discuss how we can help you meet the needs of your patients
 - **Jane Doe**
 - **555-555-5555**
 - **jdoe@zoescrpts.com**
- **Consult a PharmD or Customer Service Rep at 800-555-5555 or CS@ZoeScripts.com**

You'll find, enclosed sample script with commonly requested formulas for Inflammatory and Neuropathic pain. Simply fill out the prescription and have your office fax it to us along with patient demographics. **We often collaborate with physicians to produce compounds not listed on this script pad. Contact our PharmD for custom compounding.**

Thank you for considering **ZoeScripts** in the treatment of your patients.

Sincerely,

Jane Doe
