WEDNESDAY

Breakfast & Devotions

This will be the last day of your regular mission project. You'll work hard to finish up and get things ready for the next group. In the evening we'll go old school and have a pizza party and some roller skating at Skate World. Then we'll gather 'round for worship and you'll get a chance to share about your week.

THURSDAY

Breakfast & Devotions

Today your individual youth group will be taking part in an outreach to an individual or family in need, such as visiting a homebound elderly person and assisting them with some things around the house. Additionally, InsideOut will give each group a special challenge in creative serving and random acts of kindness. This day is a day for your group to really come together with everything they have learned and experienced earlier in the week. Then you will have the rest of the afternoon for free time and sightseeing. Then we will have our exciting evening- "don't want to miss it!" closing program. Where we will worship one last time together and watch a video of our mission experience.
