

Spec Product Descriptions

Spec Product Description For A Razor

The Right Razor

Experience your closest and smoothest shave yet. Thanks to a micro-comb that gently guides stubble into 5 precision blades you won't miss a single hair. Flexball technology allows you to glide over every curve and angle with ease and zero worry of nicks and cuts. With blades surrounded by raised protective lubrication, your skin has never been softer. It's the only razor you'll ever need.

- 5 precision blades
- Raised lubrication strip
- Flexball technology
- Gripped handle

1 handle and 8 refills included.
